

## NOW FOR THE FUN

This is the Day of the Jockey Club Meeting.

## ENTRIES FOR TODAY'S RACES

Are Fifty-One in Number and Surpass Any Other Four Races Run in the West This Season.

Promptly at 2 o'clock this afternoon the first race in the Jockey club meeting will be run at the Kent grounds. Everything is now ready and the races will unquestionably be the best run in the northwest this season, not excepting Garfield or Hawthorn park.

Large numbers of horses and horsemen arrived yesterday. The stables at the grounds are filled with sprinters and steeple chasers. The track is in way up condition, and everything that can make glad the heart of the horse fanciers has been done.

The entries for today's races were phenomenally large. They would do credit to any race in the country and are greater in point of number than those of any other four consecutive races run thus far this season, not excepting even the great St. Louis meeting, at which 1,000 horses were present. The entries for the four races to be run today aggregate fifty-one horses, or an average of nearly thirteen horses in each race. In the third race eighteen horses are entered. This was entirely unexpected, as none of the local horsemen imagined there would be more than eight or ten horses in any race, and even this number was regarded as decidedly high and scarcely justified by the indications. Last night they were very enthusiastic over the support that the meeting was having.

Entries for Today.

The entries for today's races are as follows:

First race—Purse of \$300, of which \$50 goes to second; for three years and upwards. Seven furlongs. Entries and weights: Jessie Bell, 96; King Scotland, 101; Abbie, 105; Lemon Blossom, 107; Bettina, 107; Maggie Peck, 107; Jessie Briggs, 107; Catlan, 110; St. Joe, 110; Pagan, 112; Jim Dunn, 112; Wildwood, 112.

Second race—Selling purse \$200, of which \$50 goes to second; for three years and upwards. Six furlongs. Entries and weights: Black Beauty, 98; Zonita, 100; Red Stone, 102; Tommy K, 102; Albee, 102; Quaker Toy, 104; Bob Jacob, 111; Crisp, 111; Emperor Bille, 114; Eddie, 122; Pullman, 111; Jamestown, 105.

Third race—Selling purse, \$250, of which \$50 goes to second; for three years old and upwards. \$2,000. Half mile heats. Best two in three. Entries and weights: Jessie Bell, 96; King Scotland, 101; Abbie, 105; Lemon Blossom, 107; Bettina, 107; Maggie Peck, 107; Jessie Briggs, 107; Catlan, 110; St. Joe, 110; Pagan, 112; Jim Dunn, 112; Wildwood, 112.

Fourth race—Purse of \$250, of which \$50 goes to second; for three years old and upwards. One mile. Entries and weights: Jessie Bell, 96; King Scotland, 101; Abbie, 105; Lemon Blossom, 107; Bettina, 107; Maggie Peck, 107; Jessie Briggs, 107; Catlan, 110; St. Joe, 110; Pagan, 112; Jim Dunn, 112; Wildwood, 112.

The "jocks" are not named yet, being allowed to "weigh out" twenty minutes before the start of the first race. The riders are Dunn, DeLong, Regan, Huston and Vincent. Others have not yet been named.

With the Bookies.

Pool selling and book making was very lively last night, considering the fact that this is the first race. Many of the "talent" are still in Chicago and will not arrive before Sunday night. In the first race Jim Dunn was an easy favorite, pools selling as follows: Jim Dunn, \$50; Maggie Peck, \$25; Catlan, \$20; St. Joe, \$20; Wildwood, \$15; Lemon Blossom, \$20; Pagan, \$15; Bettina, \$10; Abbie, \$5; King Scotland, \$10; Quaker Toy, \$5; Emperor Bille, \$10; Eddie, \$10; Pullman, \$10; Jamestown, \$10.

Pools were also sold for the second race. Pools were as follows: Red Stone, \$50; Quaker Toy, \$25; Verdet, \$20; Pullman, \$25; Black Beauty, \$45; Zonita, \$30; field, \$25; total, \$260.

Pools in the third and fourth races were rather quiet. The following is the summary: Third, Annie Rae, \$50; Lemon Blossom, \$25; Mary B., \$15; field, \$15; total, \$105. Fourth, Arundel, \$25; Lady Palfair, \$40; Bessie Bland, \$15; field, \$20; total, \$105.

Business was tolerably quiet with the bookmakers. Most of the fraternity had been delayed at the grounds and couldn't reach the city in time to pick their favorites. Odds of 75 to 1 were offered to the man that could pick four winners. Jim Dunn was the favorite in the first race, and odds of only two to one were offered against him in favor of the field.

The odds offered by the bookmakers in the first race were as follows: Eight to one against Jessie Bell, eight to one against King Scotland, five to one against Abbie, five to one against Lemon Blossom, four to one against Bettina, two to one against Maggie Peck, six to one against Catlan, six to one against St. Joe, three to one against Pagan, two to one against Jim Dunn, four to one against Wildwood.

In the second race the following odds were offered: Eight to one against Black Beauty, three to one against Zonita, four to one against Red Stone, eight to one against Quaker Toy, eight to one against Verdet, eight to one against Pullman, six to one against Jamestown.

The odds offered in the third race in favor of the field were: Eight to one against Jessie Bell, eight to one against King Scotland, eight to one against Abbie, eight to one against Lemon Blossom, eight to one against Bettina, eight to one against Maggie Peck, eight to one against Catlan, eight to one against St. Joe, eight to one against Pagan, eight to one against Jim Dunn, eight to one against Wildwood.

In the fourth race the "bookies" offered the following inducements in favor of the field: Five to two against Bessie Bland, two to one against Verdet, two to one against Lady Palfair, eight to one against Twilight, four to one against Speculation, eight to one against Haskell, five to one against Lady of the

Harem, five to one against Arundel, four to one against John G.

It is expected that betting will be lively today after the crowd and get a taste of the sport. Several local horsemen are going to back favorites against the field.

E. D. Laurence arrived from Garfield park last night to superintend the weighing. "It's going to be a bang-up meeting," he said. "It will beat any of the spring meetings held in the west. Of course, the purses are not so great as those being run at Garfield, Hawthorn and Washington parks, but no better horses are to be found on the track. Some of them are just as good as were ever made."

Pettengill and Woodruff will arrive from Chicago this morning. Several horses are expected today, and at least fifty more flyers will be here to the races. Jim Brown, the Texas horseman, has announced his determination to bring part of his string here. Should rain not prevent, there shall certainly be the liveliest races today that were ever held in Michigan. The Michigan Central road has made arrangements to take care of the crowd, and the man who wishes to play the pools will be able to purchase a return ticket in advance.

## BICYCLE CLUB MEETING.

The Club is in Good Financial Condition.

The regular meeting of the board of directors of the Grand Rapids Bicycle club was held last evening. The treasurer's report showed the club to be in a good condition financially. They are accompanied by Llewellyn Reynolds and Oskar Eaton of Chicago. They will purchase bicycles in England and will wheel through Scotland, England, Holland, Switzerland, and perhaps portions of France and Germany. This is the route taken by nearly all the bicycle tourists who yearly infest the old world and its through some of the most beautiful regions in the world. The roads are level for the most part and are made of macadam. In Switzerland fine "coasts," some of them many miles long, are encountered.

## Professors of Physical Culture.

A. E. Garland, physical director of the Y. M. C. A. gymnasium, will leave today for Chautauque to attend the national meeting in the interest of physical education. The meeting will be composed of such prominent educators as Prof. J. W. McKenzie of Toronto, A. A. Stagg of the Springfield association school, and others.

## Gun Club Shoots.

Of the younger sporting associations in this city the Valley City Gun club is one of the most flourishing. It has a membership of nearly forty, most of whom attended the practice shoots held Tuesday and Saturday at the club's grounds at Elk lake, and many good shooters are being developed. In a short time as soon as a classification of members can be perfected, suitable prizes will be offered for the best scores in each class.

## Kalamazoo Gun Shoot.

W. O. Woodworth, R. K. Wharton, H. K. Summers, William Young and Charles Carpenter will attend the shoot given by the Wheel Works Gun club of Kalamazoo July 4. Guaranteed purses of \$250 are offered, and it is expected a share of it will find its way to this city.

## Local Base Ball.

There will be two games of ball at Outing park July 4, one at 10 a. m. and the other at 3 p. m. The forenoon will be played by the Lawyers and Bankers and in the afternoon the college and the College and High school nines will compete.

## Local Bicycle Notes.

Phin S. Hunt and Will Simmons have procured a tandem safety and are after world's records. They will try and lower the 18-mile record by scorching over the Fidiufield course soon.

E. L. De Camp, a prize winner in the recent road race between Pullman and Chicago, was in town yesterday. He secured eighteen place in a field of nearly 300 students.

George G. Robins is in Kalamazoo with his string of horses, attending the races.

## YESTERDAY'S BASE BALL.

The Phillies Get Two From the Senators.

## Other Results.

CLEVELAND, June 30.—The home club put in its few hits in the right place today and had a winning lead until the eighth, when the umpire made a wrong decision on what should have been the third hand out, and Pittsburgh tied the score. Davies pitched well all but the eighth inning. Clear and cool. Attendance 1,100.

Cleveland, June 30.—A streak of luck in the fourth inning, when Gleason and Brodie collided, in the game of the day, gave the Cardinals the victory from the St. Louis Browns today. Neither club played good ball and the game was several times almost broken up in a row

through Gleason and Weldon's foul playing.

St. Louis, June 30.—The Phillies and Senators played two games here today, breaking even. Owing to the heavy rain just before time for the first game only 1,200 spectators were in attendance. In the first game the score should have been 2 to 1 in favor of the Phillies, but for errors. In the sixth inning Hoy singled, and the first white Larkin went to second on his single to left and Hamilton's fumble, and both scored on Thompson's fumble of Richardson's fly to right. In the second game the Senators again looked like winners, but Connors and Hamilton's three batters with Hallman's long sacrifice, tied the score in the eighth. Allen, for the Phillies, scored in the sixth on base on balls, a single by Cross, a steal of third and Robinson's fumble of Hamilton's hit.

Philadelphia, June 30.—The league's extra inning game record was broken this afternoon when Cincinnati and Chicago played twenty innings to a draw. There was yet daylight but the game had to be called to allow the Chicago to catch a train. The game was a beauty and was replete with hard hitting and sensational plays.
